

# HEALTH & SAFETY E-LEARNING PORTAL KEEPING YOU SAFE ON SITE

The Hays Construction health & safety e-learning portal equips you with the knowledge you need to ensure you remain safe at work.

We are delighted to invite you to access our e-learning portal so you can stay up to date with the latest health & safety information. We are committed to ensuring your safety on site, and our portal is easily accessible via a desktop and through our app.

#### Access your learning instantly

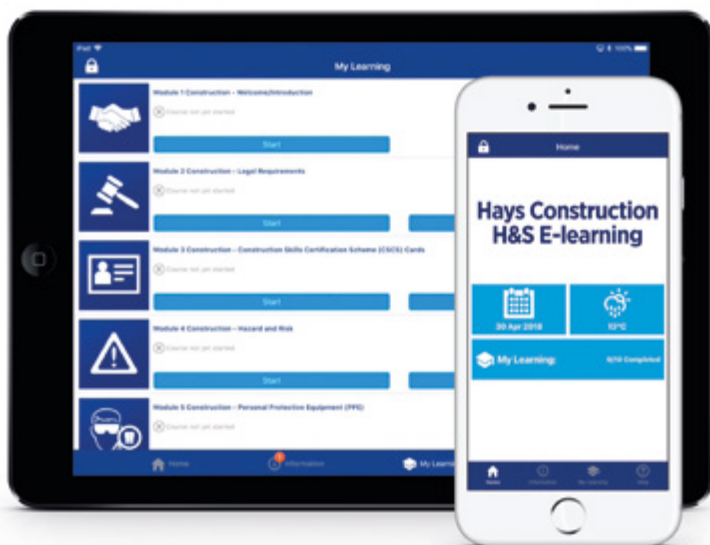

Undertake your learning modules anywhere, at any time.

#### Keep updated

Receive important notifications regarding news, latest jobs available and legislation changes.

#### Find everything in one place

Learn about the latest developments in health & safety from a central hub.

#### What is the health and safety e-learning portal?

Our portal offers you easy access to key learning modules and valuable information to help you stay safe at work.

Access the portal to undertake training modules including:

- Asbestos awareness
- Construction skills
- Hazard and risk
- Manual handling
- Personal Protective Equipment (PPE)
