

# EVERYTHING YOU NEED TO GROW YOUR TECH START-UP

The technology industry is dynamic, exciting and fast-moving, presenting many challenges for new start-ups. Hays has partnered with Empact Ventures to support the expansion of ambitious entrepreneurs by finding the talent they need.

## How we help you grow

To help develop your tech start-up, we're offering special rates to partners of Empact Ventures. If you qualify, you'll have a real competitive advantage when searching for talent in the ever-evolving technology sector.

### BENEFITS

- Special fixed rates for recruitment services
- Fixed costs for digital solutions packages, which use your brand in bespoke attraction strategies
- 1-2-1 support from a personal recruitment consultant
- Bespoke, high quality candidate selection solutions

## Experts in finding the best talent

Hays is the top specialist recruiter in the UK, with over 50 years of experience matching skilled and innovative professionals with their perfect employer. Technology underpins our expertise, and we use our experience to tailor our recruitment strategy to you. Through the use of the latest search and selection technology, we match potential candidates' skills and aspirations to your exact requirements.

You can also take advantage of our wider services, including salary benchmarking, compliance testing and executive services, supporting a complete workforce strategy.

### INSIGHTS THROUGH HAYS

- Attend events, webinars and networking opportunities to grow your knowledge and reputation
- Benefit from our blogs, recruitment insights and market updates
- Gain access to market leading reports, such as the UK Salary Guide & Recruiting Trends guide, What Workers Want and Hays Journal publications
